1. We received a Notice of Non-Compliant Amendment (37 CFR 1.121) dated November 24, 2003 on January 21, 2004.
2. We replied to the Notice of Non-Compliant Amendment via facsimile on January 21, 2004 and sent a set of claims with adequate status identifiers as required.
3. As we had not heard from the USPTO by September 15, 2004, we contacted Examiner Tran who referred us to the Legal Instrument Examiner.

Please let us know whether you received our reply to the Notice of Non-Compliant Amendment of January 21, 2004 and what the next step to be taken should be to have this application proceed as normal (please note it is virtually impossible for us to contact you via phone due to the time difference, hence the facsimile).
